

# District Improvement Plan

Quincy School District

## Introduction

The Quincy School District **Strategic Plan** established four main goal areas for the district: (1) facilities, (2) communication, (3) cultural/diversity issues and (4) student academic achievement. The **District Improvement Plan** supports the academic goal of the broader Strategic Plan. The purpose of this District Improvement Plan is to provide a clear organizational focus which guides individual school improvement planning. This plan needs continuous input from staff, community, parents and students.

### QSD Improvement Plan Goals

1. All students will demonstrate proficiency and growth on state and district approved assessments.
2. We will eliminate the gaps in student achievement that are associated with ethnicity, poverty and/or language barriers.

*We will accomplish these goals by focusing our actions on:*
