

QUINCY SCHOOL DISTRICT – STRATEGIC PLAN

Blueprint for the Quincy School District: Improving life choices for all students!

VISION: Graduates will be responsible, productive citizens who demonstrate pride. Quincy will be a prosperous and healthy community.

MISSION: All Students will become life-long learners, responsible decision-makers and contributing citizens. All students will receive a quality education that prepares them for the future.

OUR CORE VALUES:

1. Place students and learning first.
2. Evaluate the needs of every child.
3. Maintain a safe learning environment.
4. Provide the opportunity for every child to have a quality education.
5. Expect and demonstrate respect, pride, manners, courtesy and citizenship.
6. Expect and encourage everyone to strive towards their potential.
7. Remember that parents want the best for their children.
8. Coordinate district resources for student success.
9. Look for reasons and remedies for failures.
10. District staff will focus on, and expect, student success and implement well-reasoned remedies quickly when students fall short.
11. Teachers will teach to the standards, using an aligned curriculum.
