

TransACT® District Masters

Integrate your district's forms, letters and translations alongside TransACT® Parent Notifications

GenEd Parent Notifications

- Health and Medical
 - TransACT Masters
 - District Masters**
- School Administration
- Free & Reduced-Price Meals
- Special Services

District Masters is a web-based solution for consolidating all your district-created documents and translations in one location. Now all your staff can quickly and easily access your district's local forms, notices, letters and custom translations in a familiar place, *alongside your TransACT subscription.*

Key Benefits

- Saves time and money
- Increases service levels and efficiency
- Eliminates the need to search through paper binders and folders
- No impact on your local IT resources
- Integrates with TransACT® GenEd, NCLB, IDEA 2004 and Section 504 collections
- Can include your custom-translated documents

To sign up for a demo of TransACT® District Masters, please visit www.transact.com/demo

"District Masters integrated our district forms into the TransACT system, giving staff and teachers a single location for parent notifications. This makes things easier for staff because they can provide immediate assistance to parents."
