

IDEA 2004 Parent Notifications

More than 30 notices supporting the new and modified requirements contained in IDEA 2004

Reauthorization of the **Individuals with Disabilities Education Improvement Act of 2004** created many complex new changes for special education and required districts to implement new procedures and processes.

In an effort to help districts meet new requirements, TransACT presents a collection of **more than 30** parent notices and letters that reflect the modified requirements contained of the reauthorized law - *at a cost substantially less than doing it yourself*. This collection is available in **English, Spanish, Arabic, Hmong, Russian and Vietnamese**.

To help districts and schools comply with IDEA parent notification requirements in multiple languages, we offer broad compliance coverage spanning many key program categories:

- IEP Meetings and Attendance
- Manifestation Determination Review
- Due Process Complaints
- Resolution Session
- Early Intervening Services
- Private School Consultation
- Teacher Qualifications, Special Education
- and more!
